Support Government increasing aid to 70c

Most Western Countries have been increasing their aid budgets to help solve global challenges. But the Coalition Government has cut overseas aid to its lowest levels ever (21 cents in every 100 dollars). Do you support the Australian government increasing aid to our global promise of 70 cents in every 100 dollars?

	Strongly oppose	Oppose	Support	Strongly support	Unsure	N
Support Government increasing aid to 70c	9%	29%	28%	27%	7%	755

community engagement

Will positions on poverty influence vote

Will your candidate or political parties positions on ending global poverty be influential on how you vote?

	Not influential	Somewhat influential	Very influential	Unsure	N
Will positions on poverty influence vote	51%	28%	14%	7%	714

Aid increase higher priority than business tax cuts

The Coalition government has announced \$50 billion of tax cuts for big business of which it is estimated that \$30 billion will flow overseas to foreign companies. Do you agree that one higher priority for this funding would be a modest increase to Australian aid?

	Strongly disagree	Disagree	Agree	Strongly agree	Unsure	N
Aid increase higher priority than business tax cuts	9%	34%	25%	20%	12%	648

Liberals should announce aid increase

The Liberal Party is the only party that hasn't announced an overseas aid policy this election, do you think they should join other political parties and announce that they will increase aid?

	Strongly disagree	Disagree	Agree	Strongly agree	Unsure	N
Liberals should announce aid increase	10%	36%	21%	26%	7%	618
